

Built On What Matters

October 2014

CALLING ALL PHOTOGRAPHERS!

Do you have a great photo you took in Frederick that reflects our new brand promise? If so, enter it to be in our 2015 Built on What Matters Calendar contest! The calendar will be a full-size, 12-month calendar that will be mailed to every household in Frederick! You can either get out and compose a new photo, or you can submit one you've already taken. It must be taken in Frederick, and you need to tell us why you feel it reflects the new brand promise.

Here's the brand promise to inspire your photo:

We believe in rolling up our sleeves not just for ourselves, but for others.

We believe in playing outside until the stars flicker on and protecting the hallowed ground of childhood.

We believe in a lifelong commitment to actions as good as our intentions.

We believe in the power of our voices and the obligation of our hearts to form a strong foundation.

We believe we're onto something that's worth all we can give it.

Here, the life we dream of is ours to create.

If your photo is a winner, we'll be giving you credit for your photo in the calendar! The deadline is October 30th, so get out there and start snapping! The application can be found at www.frederickco.gov/calendarcontest.

FALL CLEAN UP DAY

Fall Clean Up Day will take place Saturday October 4th from 8 a.m.-2 p.m. at the Frederick Public Works facility (5949 Tipple Pkwy). We can accept furniture and electronics (including TVs). We can also accept branches and carpet that are cut into four-foot lengths and tied into bundles weighing no more than 40 pounds. We CANNOT accept, hazardous materials, cleaners, paints, batteries, tires, solvents, cars, appliances, flammable items (gas cans, gas grills, etc.) or items that contain Freon or cement. New for Fall Clean Up, we are partnering with the Frederick High School Booster Club. They will have an ARC truck in the FHS parking lot across from the Public Works facility on both October 4th and October 5th 8 a.m.-5 p.m. to accept your gently used clothing, furniture and other household items. For every truck filled, ARC will give \$1,600 to fund the FHS After Prom. For more information on the FHS Booster Club collection, contact Jen Burgener at 303.717.9946 or jen@business-computers.com.

DONATE TO THANKSGIVING DINNER IN A BOX

The Frederick Youth Commission needs your help to deliver all the fixings for a great Thanksgiving dinner to families in need throughout the Carbon Valley area! We're accepting food donations (a list of items needed can be found on the town's website) throughout the community including Frederick High School and Town Hall and are also asking for monetary donations to purchase perishable food items. If you know a family who could use some help this holiday season, nominate them to receive a box with an application form on our website or by emailing youthcommission@frederickco.gov. The deadline for nominating and donating is Friday November 14th.

HOMECOMING TAILGATE AT FHS

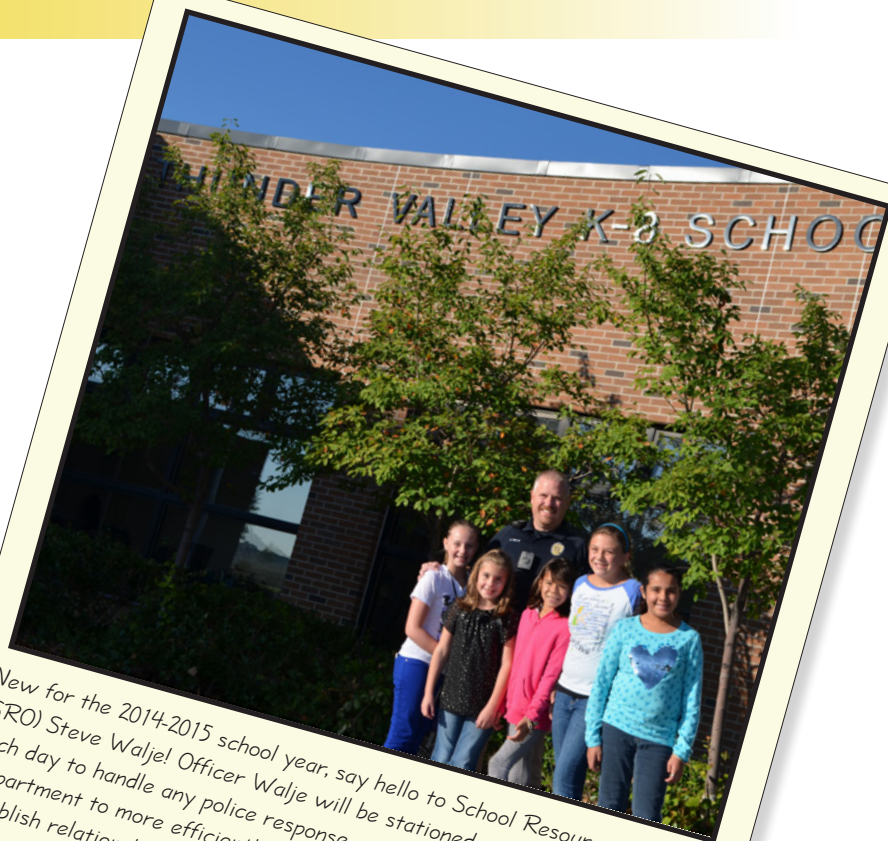

Please join the Town of Frederick, Frederick High School and the FHS Booster Club for the Homecoming Parade, Tailgate Party and Homecoming Game on October 10th. Follow the parade route ending at FHS for an awesome Tailgate Party before our 2014-2015 Warriors take the field at 7 p.m. against the Erie Tigers! The Homecoming Parade will start the festivities at 4:30 p.m. in the Thunder Valley K-8 west parking lot. It will head west down 5th Street to Oak Street, and then go north to Tipple Pkwy (CR 16) before winding its way west to the FHS parking lot. The FHS Booster Club would like to invite the entire Tri-Town community and all FHS alumni to join them for food, fun and games in the East Parking Lot of FHS following the Homecoming Parade at 5:15 p.m. For more info, go to the FHS website.

BOARD TO HOST OPEN HOUSE

On Monday October 20th, The Board of Trustees will be hosting an open house to address any questions you may have about the Town's intentions to purchase the remaining electrical utility in order to have a single power utility that serves all of Frederick. Currently, the Town of Frederick owns and operates the electric utility within the original town boundary as Frederick Power & Light and is looking into acquiring the rest of the system within town boundaries from United Power. Please join the Board at 7:00 p.m. at the Carbon Valley Recreation Center and bring your questions!

TOWN MEETINGS & EVENTS

New for the 2014-2015 school year, say hello to School Resource Officer (SRO) Steve Walje! Officer Walje will be stationed at Thunder Valley K-8 each day to handle any police response at the school. This allows the Police Department to more efficiently handle any calls at the school and helps to establish relationships and make contacts that prove valuable in investigations outside of the school. Above all, it reinforces a positive relationship with the police department and the youth in the community.

WELD PROJECT CONNECT

Weld Project Connect is a one-day event providing free on-site services to those in need due to housing instability, job loss, age, health problems and other issues that can interrupt life. On Friday October 17th from 12-4:30 p.m. at Island Grove Park in Greeley, those in need can get help with medical screenings, immunizations, foot care, haircuts, resume writing, legal and credit counseling, birth certificate copies, library cards, food stamp and other benefit program applications, and flood recovery. For more information, call 211 or go to www.weldproject-connect.org.

HELP OUT WITH EMPTY BOWLS

If you're looking for a volunteer opportunity this fall, consider helping the Carbon Valley Help Center with their first-ever Empty Bowls event on November 22nd. This fundraising event will help raise awareness of hunger and homelessness in the Carbon Valley. Contact the Help Center to see how you can volunteer at 303.833.6626 or info@carbonvalleyhelpcenter.org.
